Plastics Forum 2019

“Transforming Plastics Industry via Circular Economy Concept”

Co-organized by Plastics Institute of Thailand & Reed Tradex Co., Ltd.

Wednesday, March 20, 2019 from 13.00 -16.00 hrs.

At Ballroom, 7th Floor, Landmark Hotel, Bangkok

According to the adjustment of government policy to adapt circular economy into industrial development plan with the objective of bringing sustainability to industry and natural resources. It is indispensable for plastics industrialists to be alert and ready for the changes of know-how and production process to be in line with modern manufacturing concept.

Therefore, Plastics Institute of Thailand and Reed Tradex Co., Ltd. co-organize Plastics Forum 2019 as a platform to present and exchange knowledge in order to be the direction for generating sustainable business approaches.

Participants of the Plastics Forum 2019 will have the opportunity to gain insights and strategies by experienced veterans, along with discovering successful business factors by meeting with :

- Business Owner in plastic industry and supported industry
- Industrialist, Factory Manager, Production Manager, Engineer, or Technician
- Executive Level, Product Designer, Researcher, and Developer or representative in engineering technique
- Public Organization and related Association

Remarks: Program as of 5 March 2019

- Seminar will be conducted in Thai
- FREE session, limited seats available, pre-registration required
- For registration and further information, please contact Email: contactcenter@reedtradex.co.th or call +662-686-7222
- The Organizer reserves the right to adjust program without prior notice
